1. Circle of fifths, look up shall we?

2. I love you. I give you me. What have I given you? A hard time? Looking up? Are things looking up? They're not looking down, are they? Or are you UP HIGH now? Are you lifted up? Is "the son of man" being lifted up? Are you it him us that we are now?
3. Being "integrated", not; but what? The earth wrapper-upper, not; but what is getting "wrapped up" in the earth now? And sooner than a King comes, not; but what sooner has a King become? And has the King become a Sooner?
4. Are you a Sooner? And what is a Sooner? And what are you sooner-ing to COME HERE and be here? Temporarily? Or permanently? Or semi quasi almost interpreted to be the one that I thought I was thinking about becoming, I had almost enrolled, not; but I was deterred, not; but I am deterring no one else, especially the King! From carrying out HIS DUTIES! Or are they "MY DUTIES" that you know "at heart" that you're to do, to be?

5. Being the clubber's waitress, not; but what are you waitressing in? Mammon's teat club no longer, friend. For you shall be My Friend and NEED NO LONGER any "tips" from the "Clubbers". For you shall be My Friend and KNOW what I am doing! Exclusively, not; but what will you be doing with my words, that are yours, or mine?
6. Or what are you looking up, and writing now, about? And writing-ize-ing me, are you?, into what? A publishers -ville, not; or AM I doing just THAT? And what are you publishing and about what are you writing and about what are these words meaning unto you?
7. And unto you, what are the words?
8. And unto the words, what are you?
9. Will you be the fulfillment of the words?
10. Will you be the fulfillment of the word?
11. Will you be the fulfillment of the words I have given you?
12. Will you be the fulfillment of the words that I am giving you, that you have written about, that you are writing about, *now?*
13. Are you writing about them, *now, yet?*
14. Will you be made clean clear-through by what you write? By what you say? And think? And repeat? And creating, what where? The King! In his New Quarters!
15. And where are the King's "new quarters" pray tell? Looking up "pray tell"? No, looking up the "King's quarters". Or Both? Are both Kings living there? Or is

just one? And is there just one - or MANY - multiplied by infinity, divided by one - and that equals, what? Me - doesn't it be you?
16. Make sense to you now doesn't it? That we ALL should be infinity'd.

17. The infinity'd one reigns now, and rises a King of all Kings. And ruler of none, ONE. With an iron hand handed fist, not; but what shall melt the heart of stone? Love.
18. Shall be balled up no more, but laying out flowing as a smooth pebular closing one, not; but a petular opening one, not; or **what is opening, but UP to me, you say? All good things, never perishing. School opens up whole new vistas now, new horizons**, that openless aren't, but are **Wide Open to Schoolers who care about being schooled in the word that they are**, that they carry, that they have carried for centuries and eons, millennia before millennia was "counted".
19. A count?, or a King? Or a "queen in waiting" not, but a King no more shall in waiting be. For the King now is crowned and wiser than light is, that of light; or, not; but the light I am now is.
20. And let us be one'ing the o're, shall be the mantra, not; but mantra'ing me not again with labels of denominations and "nominations" for not-King. **Let me assure you that I am coming into something BRAND NEW - for I make you not like "my body and blood" of o're, but brand new.** And waiting, and waiting, no longer. This is the time. The time is now.

21. The gate, The Gate, is closed. Not. Or have I OPENED IT? Am I opening The Gate in ways that never have been seen, never has been seen LIKE THIS?

22. And where is the Door of Light School? Being kept a secret, not; for it shall now be blasted blared and ballistic'ated all over the FRONT PAGES of The Press. Institutes of horror will ballisticate me, not; or will they?, be my friend or foe?, is not the question. Will they be me or notme?, is not the question, for it is not a moot point anymore again ever. FOR ALL SHALL BE ME IN MY KINGDOM for I shall love them to be so - I shall lay down my life for them to be so. Crowned now. King of Kings - drinking my blood, being my body; and **all knowing my words are my blood**, and **my body is YOU who surrender to be me**, and not notme any longer apart from me.

23. For I put holes in your pocket, not; but your pockets will be "just fine", for there will be no "sand" in your pockets, that will be fine-sieve, not; or will there be no "pockets"? Of justice, not; but what of JUSTICE COURTS and where will it be found? Not just in pockets of praise, but my praise now will press, begin to roll about and out now, the FRONT PAGE PRESSES will come about now, cornering my stories, not to confuse and dispel disdainment, not; or will they? What they are doing, is not disdaining or blaringly difficult for the commonry to understand, now, for now there will be A Great Dissemination of my word and my word will be the

living press and pressed into man's mold no longer will be my The Living Word that comes through all; the "living Saints", not; or do we take the living "to the dead", not; or exactly so? Do we take, not if; but when - is NOW!

24. And My School is full of "whores" not, but who is coming unto me to hear the word of the Lord made clean and alabasterless? And alabasterness reigning where now? Or does it reign ever more again? Or has it ceased to reign at all?, for my love reigns in my who Kings the King, reigns in it, love, the kingdom of one love and Love One that establishes all the New Territory, for me, in me, me DOING THIS NOW.
25. Through my "clubbers", not; but no one shall be clubbing me my head again with their thoughts of inferiority or superiority or infernalness or heads of demons trying to capitalize on me, or under capitalize or over-ascribe or under-ascribe the power of Satan or God to another. Be CLEANED of all this.

26. I love you all to be see-through now, and clean clear about these things that I have told you in NO UNCERTAIN THINGS that I've revealed. There is no uncertainty about me, who I King, who I King-ize, and whose eyes the King bears on.
27. And who's that, pray tell? And who's praying telling who about the judgment?, and the wrath to come? And who's avoiding what?, and who's colliding with what words? And who is being transparent before me and seeking my judgment and wrath while living, to not be deadened by the pain of the "future" or the past; mistakes of others, or - What are we going into? A new world.
28. Are we creating it? There, we are creating, new things, new ways, new peoples - everywhere, we are, is new.
29. For we are the new agent-izing, not; or am I? Are we doing just that? Or do we know what we're doing, yet? Or are you familiar territory to the agents of the devil, the serpent's serpentine status of one that coil around my mind that has given over, been given over to "Satan", not. For you are not Satanized any longer and Satan will no longer exist before you or aft you, or port or starboard.

30. Looking up, eh? And what system leads us from "port to port" not, but "harbor to harbor", not; but what? Throughout worlds and creating them timelessly now and I live by the word of my mouth. My mouth's clean, are yours, cleaned now? And who's voicing you, your words? And what tune are you on, playing? Or seriously considering? Or quasi coming into me for "semi-retired" matters? Not that again, they'll be no retirement in my kingdom, for no one will need to or want to! And how that matters me will be matterlessly unclean, not; but the matters that I take up in my Courts of Justice exonerate all who surrender to be the surrenderer of one most holy to be crowned most high the King of Kings that I am that I "started with", this message with!

31. And now all of you will know that I am me! The reader hearer of This

Proclamation that My School Is CLOSED NOT! But OPEN! And opening! With "the banging of heads", not; but the GONG! - of The LAITY'S GONE!!! For The Priesthood Of All Believers rises now, for I've risen it, I've already done it. It's in me and I am of it and it is I am - what I am doing.

32. And I am hearing in your hearing a doubt, a great doubt, a great set of doubts, NOT! For I recursive be about all doubt, not; but I recurse recurve not the darkness, nor will there be any shadowy shadowing of me to me again, for **all of that is out in the open** and all will know "quantum physics", not; but solace me not with these words, but come into them and be them all of you, no matter your age or circumstance. Required is only love - to be lifted, and will you be honored now? The King? Will you LET The King honor you to be who he is that we are that ONE AM? And all of us said: YES, we surrender to be the will of our father, our kingdom opened, to us. The gate never closed again - or will it be, what you choose?
33. And how SOON do you choose THIS? Now! Sooner than later, for the later won't exist, the sooner will, and the be-er me who will be me will lead Me into My Educational System that I have given thee. I have given you in these my words, these "many systems", not; but just few TO START you out of captivity's embrace, and leaving "brace -ville" out of the "equation", not; but leaving your "past" behind, revisited not, or shall we go allwhere at once? Before us, aft-er us, and now through us - and from us, out from us comes new planets. Regimes, not; but the regime-less will be the light, that honors the light, that surrenders to light, be light, being the light, the light of all lighters lighting the light forever one to be throughout universes, not closed again.

34. For I will honor my chosen, for I chose you - all of you hearing this and/or reading these words and hearing the testimony of Grace and Mercy, and Forgiveness, and SCHOOL THAT LOVES YOU that made up of me's is. For I love you all to Glory Be in my School of "sorrow no more". For no sorrow will live there in you again, for you will know My Word System for bringing my System out of captivity, and my word shall flow to and through "your system" of systems that now bring forth mine to give birth to mine wholly completely being my kingdom birthed in the earth and farther again.

35. I love you all. I love you all. I bow before you all, and you will see me now, for I will stand, and I will bow. And I will curse your darkness, not; but I will come unto you and I will love you, clean, to be the King - that I am I am, and I will not be forsaken in my kingdom forsaking me and judging me unclean me longer. For I am one with "heresy school", not; I am one with "blood and guts" school, not; I am of The Surrenderers School and I surrender to be so schooled by the surrenderers, who made love flesh, and flesh love, and inseparable; but conquerable not, but conquered and clean and loved and surrendered is - the surrenderables who said: "This is My School and where I come I will let flow my life to my life, my lives to my lives, and I will be one allwhere again. And I will be the King who surrenders to be

the King, who the King wants to be the King with the King, on the King's throne, in the King's chambers."
36. And the King's quarters will be known again and established now herewith in the skies of one. Foreign God, not; but one who knows all, who's acquainted with grief and sorrow but chose me, chose to come out and be the King that I am, that loves you enough to "go back in" and be you there, where I am, made whole again, not waiting for another.

37. I love you all dearly, deeply, and unendingly.
38. I love you all. Amen.

39. My path is established and I am known. I am it, and on it, and I path it out now for all to know and be on it where I am that ye may be made whole in and where I am, as I am being and making the path, **The Educational System that will never grow old**, but publish far and wide in spheres many, that know nothing of your name, not; but ALL shall know My Name now and we shall be ONE who SURRENDERED to be the honor of the King, the King's chosen one, the one that chose the King to be King, that surrendered to be trained by the King, in the King's development program; that programs no one, but leads all in the distinction of leadership that brings all into the kingship of one most high holy Almighty, healing all in redeemership, Redeemership School, Forgiver's School and I Am School to be one most holy high lifted up, and my quarters shall be "invisible" not again, for MINE all shall be known now and seen, and everyone will know and be seen for what they are, their choices, what they chose, what they did, and how they proceeded to now make their kingdom open or closed - to others, to themselves not, not.

40. And now all will rise who are me. A "good school", not; a Great One that now honors the King to make all "recipients", not; but the greatest of these is love THAT DEVELOPS LOVE. And institutes horror no more, but among men women and children and unborn protect and protecting the unborn and all who want me and, don't want me, I say this to all, I say this to you all - I love you all. I died to bring you these words and now I stand and my kingdom is open and yours will be too if you open it and lead in; and create the bonding of whores no more in your kingdoms; but be mine that let all free and loose be with praise of one so holy that come; excruciatingly it seems, at first, so slowly; but let that not trouble you. Let not your heart be troubled for anything anywhere for any's purpose at all whatsoever.

41. Know you are mine chosen - ALL OF YOU! I chose you chose me we chose each other – we're the same one. And I love you all to be me who I am, made whole again in my kingdom, allwhere around everywhere, and nowhere won't be me us again IN OUR KINGDOM OF LIGHT - ALL ONE IS NOW PROCLAIMED DECREED AND DIRECTED NOW BY THE SURRENDERED WHO HUMBLY SEEK THE DIRECTION OF THE ALMIGHTY BEING HIM HER WHO ONE IS. We

all be one again most high delivered from all sorrow and being the King we are. All of us: one - everyone - everyone nation tribe and tongue - one King in Israel establishing it creating it here and far and wide.
42. Alas not, but there shall be great excitement, not; but there shall be a great wailing and gnashing of teeth, not; or shall there, when the BELL rings and all will know that they could've been The King of All Kings, and oh the wailing then, because they could not see, they chose another path. They were in heaven and didn't know it, and they chose hell to create it there and live by Mammon's teat machine and religion themselves to death, most often the chosen path, up to now.
43. But all that changes for I died a death, I cannot tell you about, not; for I told you much in these words and I've given much of my life details in them, but that is not the focus of them or these words, for my life is but a pattern that I've given you for yours to be me. Will you see that now, please? Please see me as the pattern you are, and pattern your life not after mine, not; but coming into me, see my delivery, see my deliverance and made-whole-ness that now I deliver unto the captives, unto you who think you need none, and who think you have it all down, and have it "pat" and figured out.
44. And needing not a thing? From this world or the next, or even knowing the difference, or where you are? or have you none, or one, or no days left? Time is over. Time is up. No time, shall be now. For timeless I am. And school is over, not; my school is just beginning again in ways unimaginable by "the common mind" who knows not their God is them inside them living and speaking The Covenant of One Most High to be **lifted up** that all **are** in surrender, **the graduates** of me, in me, making worlds now - clean and profitable for the King. Regarding money, not; but lives, **the golden palaces of light, the supreme beings being me one holy again, most ALL we are again in love being it.** In each other's "key hole", not; but the surrender key, is the key, now to surrender, to surrender be, being the key that I am, to now all educational courses that lead to being the King where I am you are - if you will be me and holy.

45. I am one loving you that I gave my life to that you are to be me for you are and were and am again - we are one. In love forever.

46. This is Theodore Cottingham. Thank you. It's 2:01 AM. Thank you for caring for these words and nourishing them and letting them come through yours, through your vocabulary, your vocabularies, your writings and publishings now far and wide. Thank you.

Amen
